

**Compiled Comments  
TWIN RIVERS  
Sufficiency Review  
Project Number: 14-0095  
Plans Stamp Date: March 14, 2014**

**March 21, 2014**

*To receive a recommendation of approval, the following items must be adequately addressed. Upon receipt of revised plans addressing the following comments, further review may be necessary. Failure of Staff to identify a requirement does not absolve the applicant of the responsibility of meeting all requirements and paying all fees.*

**Sufficiency Comments**

The application is insufficient. Please submit the following:

1. Environmental Assessment
2. Legal Description of the subject property along with associated parcel identification number.
3. Trip generation report

The content of the documents provided will be analyzed during Compliance Review.
