Approved projects must be completed within 6 months.

Twin Rivers Architectural Review Committee Submittal Form

arc@twinrivershoa.org

As required by our deed restrictions and covenants, all modifications to the exterior of your home or property require pre-approval by the Association. This includes, but is not limited to additions, deletions and changes in color, to the house, outbuildings, fences and mailboxes, as well as **major landscape revisions**. The Association does this through the Board of Directors and its Architectural Review Committee. Guidelines are provided in TRHOA Rules and Regulations Handbook.

Please complete the entire form and provide the following items **in duplicate** when submitting your request. Without required documentation your request may be delayed or denied.
